

Return to Guidance office by March 15

**David L. "Baby Dave" Jack, Jr.
And
Robert "Bob" Hall
Memorial Scholarship Application**

This scholarship is offered each year to graduating Braxton County High School Seniors that are planning on attending either a vocational or trade school following graduation. In order to be considered for a scholarship, you must fill out the following application and return it to your appropriate supervisor prior to the dead line for scholarship applications. Once received, your application will be given proper consideration based on the answers you give about your future goals after graduation.

If chosen for a scholarship, you will be given a certificate at the Senior awards banquet, and your actual funds will be presented to you at the annual David L. "Baby Dave" Jack, Jr. and Robert "Bob" Hall memorial Scholarship picnic held the second Saturday of July at Holly- Gray Park.

We welcome your attendance if at all possible. All funds for our scholarships are funded by the families and friends of our fallen brothers Baby Dave and Bob who were long haul truck drivers prior to their untimely departure. Baby Dave graduated from B.C.H.S., class of 1993. Bob graduated Gassaway High School, class of 1960.

- 1. Full name** _____
- 2. Address** _____
- 3. Contact phone number** _____

A. What are your plans for attending vocational or trade school following graduation? _____

B. Why do you feel that attending vocational or trade school is the best option for you instead of seeking a four year college degree? _____
