

The Hunter Lemon Scholarship was established in 2013 by family, friends and the community of Braxton County. It is the committee's desire to provide a scholarship in Hunter's memory to a current Braxton County High School Senior. The selected recipient(s) are to use this scholarship to help finance the expenses of a secondary education at a two or a four year college, trade or technical school. The scholarship is a "one-time" award and will range from \$500 to \$1000 to one or more students. Although not a requirement, preference will be given to those who wish to continue their education in the field of veterinarian science, as pets were Hunter's passion. To apply, please answer the following general information questions and attach an essay of at least 200 words telling the committee more about yourself and why you are applying for this scholarship. In addition, please attach a current high school transcript and ACT/SAT test scores. Return all documents to the Braxton County High School Guidance Secretary no later than **Deadline: March 15**
